Welcome to your M&S Travel Insurance Policy

Contract of insurance

The following documents set out the terms of your M&S Travel Insurance policy underwritten by Aviva Insurance Limited (“we/us/our”) and make up the contract of insurance between you and us:

- This Policy Booklet (and any changes M&S Insurance tell you about at renewal);
- Policy Schedule (“Schedule”); including the demands and needs statement
- The Important Information document

In return for payment of the premium we’ll insure you in the event of an incident listed in this policy during the period of insurance, providing you comply with the terms.

This policy provides the insured persons named on your Schedule (“you/your/insured person”) with the cover set out in this policy for the trip(s) shown on your Schedule.

By “trip” we mean a journey that begins and ends in England, Scotland, Wales, Northern Ireland, the Channel Islands or Isle of Man (“UK”), where the return journey to the UK has been booked before leaving home and the purpose of the journey is:

- A holiday or travel for personal reasons outside the UK, but not including travelling abroad to obtain medical treatment/advice; or
- A holiday or travel for personal reasons within the UK that includes two or more nights pre-booked accommodation in a commercially run premises not belonging to family or friends, including a pitch at a caravan/camping site; or
- Business travel outside the UK that does not include manual work; or
- Voluntary work, outside the UK for a registered charity, but not including manual work involving work at heights of more than 3 metres or work in a healthcare facility.

Known Event

M&S Travel Insurance covers you for unexpected and unforeseen events and circumstances, for example, if you have an accident while you are on holiday and need urgent medical treatment this will be covered.

There is no cover in relation to any event, incident or circumstances if, at the time you purchased your policy or booked your trip

(whichever is later), you knew that, or you could reasonably be expected to have known that:

- the event or incident had already occurred or was going to occur; or
- the circumstances existed, or were going to exist, and the event, incident or circumstances could reasonably be expected to affect your travel plans.

For example:

- you would be reasonably expected to know of any event, incident or circumstances that had been widely reported in the media in the UK at the time you booked your trip or bought your policy (whichever is later).
- there is no cover for cancellation of your trip if your travel plans are disrupted because flights are cancelled or any government or authority closes their borders, or imposes restriction of movement and these cancellations or restrictions were in place or had been announced at the time you purchased your cover or booked your trip (whichever is later).

Please refer to *Exclusions that apply to the whole policy* section 8.

Unrecoverable Costs

Your travel policy provides cover for unrecoverable costs. If you need to make a claim for travel, accommodation or related costs which you or any insured person has paid, we will consider claims for your costs which are unrecoverable from your travel and/or accommodation provider or agent, your debit/credit card company, PayPal, ABTA, ATOL (or similar organisations).

For example, if your trip is cancelled by your tour operator or booking agent you may have a right to a refund from them for some or all of the cost of your trip.

If you are not able to recover all of your costs and your circumstances are covered by the terms of your policy, we will consider costs you have been unable to recover.

When you make a claim, we may ask you for:

- proof of booking and any costs paid;
- details of any refund you have been able to obtain;
- evidence that you are not able to recover your costs elsewhere.

Please check this policy booklet carefully to ensure that you understand what is and isn’t covered.

COVID-19: What am I covered for?

Your M&S Travel Insurance will provide cover for events relating to COVID-19, such as:

- Emergency medical expenses abroad, cancelling or coming home early if you fall ill with COVID-19.
- Cancelling or coming home early if you have to self-isolate or quarantine before you travel or while on your trip due to COVID-19 (please be aware, this doesn't include having to self-isolate or quarantine when you return from your trip).
- Cancelling or coming home early due to a FCDO advisory notice being in place advising against all or all but essential travel to your destination or, the FCDO are advising British citizens to leave the area in which you are staying. Cover for cancellation is only available in the 31 days before your departure date.

If you have suffered with COVID-19 and needed medical treatment, then as with other medical conditions you may need to tell us about this. We will then screen it and tell you if this affects your cover. Please refer to the Your Health section on page 8.

Your M&S Travel Insurance will only cover you for unexpected and unforeseen events - please refer to the Known Event section on page 4.

We recommend you read your policy terms and conditions for full details on what is and isn't covered, in particular Exclusions which apply to this whole option sections 8, 9 and 10 on page 7.

If you need to make a claim

Your health – cover and exclusions

Please read this section carefully

This policy is not a general health or private medical insurance policy and will only cover sudden and unexpected illness or accidents. When you purchased or renewed this policy, we asked you about medical conditions suffered by any insured person. By 'medical condition' we mean any illness, injury or disease that an insured person has had in the 12 months prior to purchasing or renewing this policy where they have:

- been prescribed medication (other than minor infections that have been treated with no more than one course of antibiotics); and/or
- received or are awaiting, medical treatment, tests or investigations; and/or
- been referred to, or had follow up with a specialist; and/or
- been admitted to hospital or had surgery.

If we can provide cover for the medical condition(s), and if you have chosen this cover, they will be shown on your Schedule as 'Accepted'. If we are unable to cover them, they will be shown as 'Excluded'. If we can provide cover for them but you have chosen not to, they will be shown as "Excluded – chose not to pay".

There is no cover for any existing medical condition unless you have told us about it and it is shown on your Schedule as accepted.

If you have an annual policy, you'll be asked to tell us about any changes in the health of insured persons at renewal.

Health exclusions

There is no cover for any claim arising directly or indirectly from the following:

1. Any existing medical condition you have not told us about.

5. Travelling with the intention of seeking medical treatment or advice.

Reciprocal Health Agreements

The UK has reciprocal healthcare agreements with a number of countries and territories worldwide. If you are a resident of England, Wales, Scotland or Northern Ireland, these agreements mean that you may be entitled to urgent medical treatment at a reduced cost, or in some cases for free. We strongly recommend that you check if the country you are travelling to has a reciprocal health agreement in place and what the requirements are before you leave the UK, you can find more information on-line at www.nhs.uk and search for Healthcare abroad.
